Greetings from Colorado Cheeko!

We hope this finds you well in your travels. Have been thinking about you and meaning to send along a note of thanks. All of us at the Mile High Marketplace wanted to send a special thank you for being such a special part of our 2009 Zoppe' Circus festivals. You truly were a joy to have around and we could always count on you to be ready to entertain our guests or to pitch in with anything we needed for our festivals. We loved having you on-site for 3 weeks – it flew by and we miss all our circus friends including "Cheeko"!

You are a true circus artist, a gentlemen and as professional as they come. Your Punch and Judy show was loved by all and thanks for helping out in the market with your beautiful organ grinder. The extras you did for us are too many to mention but we all appreciated your help and always cheerful attitude. Your Caliola organ was amazing and so beautiful. It really added to the atmosphere of the festivals. Not sure when our paths will cross again but we know it will and until it does take care and keep in touch.

Thanks again and best wishes from all of us! Safe travels!

Cheers,
